Dear Aaron

**Subject: Assurance Audit of the Biodiversity Conservation Fund Charge System**

Thank you for providing Marsden Jacob Associates draft assurance audit report on the BCF Charge System.

The BCT provided information and evidence to MJA to support the audit and thank them for their efforts in undertaking the audit prior to the issuing of the first Charge requests under the new system.

The BCT accept the findings of the audit and are pleased to note the application of the new Calculator was found to be compliant.

The BCT note the recommendations to improve processes and aim to address those prior to the review and update of data for the Charge System in 2023.

Yours sincerely

Justin Williams
